APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source.

It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of cattle served from the waters of this source. The State retains the right to regulate the use of the water herein granted at any and all times but does not take responsibility for the use of the Federal range.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0312 cubic feet per second or sufficient water to water 1,000 head of cattle.

Actual construction work shall begin on or before.....January 6, 1965

Proof of commencement of work shall be filed before.....February 6, 1965

Work must be prosecuted with reasonable diligence and be completed on or before.....January 6, 1966

Proof of completion of work shall be filed before.....February 6, 1966

Application of water to beneficial use shall be made on or before.....January 6, 1967

Proof of the application of water to beneficial use shall be filed on or before.....February 6, 1967

Map in support of proof of beneficial use shall be filed on or before.....

Commencement of work filed March 11, 1965

Completion of work filed March 11, 1965

Proof of beneficial use filed Feb. 7, 1968
